Participant Feedback from FPM Supervision Course

Participants were asked:
1. How respected they felt
2. How encouraged they felt
3. To what extent did they feel listened to
4. How enthusiastic was the facilitation
5. How interested were the facilitators in what participants had to say
6. To what extent their ideas were challenged

And to what extent did the training increase their:
1. Knowledge
2. Skills

The graphs indicate the majority of participants had a positive experience of attending the Family Partnership supervision training and the course content increased their knowledge and skills.
